She has been invited to the Telluride Jazz Festival, “The Feast of LA” on the Jimmy Kimmel stage, and to Madison’s sister city, Mantova, Italy for the Mantova Music Festival. She performed a special Jazz concert with Andrew Sewell and the Wisconsin Chamber Orchestra at “Concerts on the Square” and was a guest artist with John DeMain and the Madison Symphony Orchestra at “Concert on the Green.” Gerri performs regularly at The Isthmus Jazz Festival, the outdoor summer series “Jazz at Five,” and clubs throughout the area.
